UK Press Card
(English Wording)

This is the only UK-wide press card recognised by all broadcasting and written news media and the police service.

It is only carried by professional newsgatherers such as reporters, photographers, TV camera operatives, sound recordists and by direct support staff such as dispatch riders, engineers and drivers.

Foreign journalists based in the UK can also carry the card.

The copyright design is owned by the UK Press Card Authority Ltd. Most cards carry one of the logos shown but some use the logo of the holder's publication or broadcaster.

The card is made the same way as a photocard driving licence and has several security features. There is a UK Press Card Authority hologram next to the word PRESS. All cards also have a graphic on the reverse showing it is Smart Card enabled. Every card has a serial number matched by a PIN or password known to the holder. Verify the match by telephoning 0870 8376 477 and check the expiry date - no card is valid for more than two years.
